Are you the owner or manager of a small/medium business in County Wicklow?
Would you like to really develop your management skills, and grow your business?
Wicklow County Enterprise Board's flagship training course, the Management Development Programme, commences on Thursday 23rd September 2010.

The facilitator once again this year is the renowned Blaise Brosnan, expert Management Consultant and business author.

Now is the perfect time to do this course - it will give you the support you need to manage your business successfully through these challenging times.

The Programme runs for 6 months (Thurs evenings, 7-9.30pm, in the Glenview Hotel starting 23rd Sept) and includes invaluable one to one mentoring with Blaise Brosnan.

The programme is heavily subsidised by Wicklow CEB, and the participant fee is a newly reduced price of €400, payable in installments. The programme is restricted to businesses in existence for at least 2 years.

Numbers are strictly limited so book early to avoid disappointment!
