Quickpay is the affordable, fast and efficient payroll of choice for small to medium sized Irish businesses. Even without any prior knowledge of payroll or technology, you can run your payroll quickly and easily. You'll soon master how to process payments, keep up-to-date with government legislation and get quick access to your employee names, addresses, rates of pay and gross pay-to-date figures.

Quickpay Features & Benefits

Quickpay is designed for the small business that needs an affordable, fast and efficient package to take care of all Irish Revenue requirements including PAYE, PRSI, PRSA's, BIK (Benefit in Kind) and Income Levy.

Key Benefits Include:

Catering for all Revenue requirements - including PAYE, PRSI, PRSA's, BIK (Benefit in Kind) and Income Levy.

PRSI switching is also catered for so employees always make the right contributions, even if their income changes regularly.

Making Nett pay calculations easy, by using a special Nett-to-Gross option.

Allowing payslips to be viewed onscreen before they are printed or accepted. Can print onto pre-printed stationery.

A detailed checklist for Tax Year End returns.

Printing P60's, P35's and P45's at the touch of a button, and processing of P35's through ROS.

Allowing for multi-company payroll processing.

Keeping track of the costs of paying your employees.

Easy access to historical payslips.

Quickpay Free - catering for up to 5 employees within one tax year. Download Quickpay Free by visiting www.tassoftware.ie/products/beta-quickpay-features.asp .
