For anybody looking to create a business plan and searching for some useful resources, I thought that the following information might be of interest. You can get a free pdf copy of the book Hurdle:The Book on Business Planning by Tim Berry, a respected business planning expert by visiting the website mentioned below. This is a saving of US\$19.95 on the Amazon paperback price.

Tim is the founder of Palo Alto Software, a cofounder of Borland International, and a longtime planning consultant to Apple Computer and other technology leaders. In this eBook, he helps demystify the planning process and walks you through the steps to a great plan.

You can register to receive your free copy of the book by visiting the www.bplans.com website. Clicking
